THE 2024 OFFER

The 2024 PEG enables you to invest in the Classic Offer and benefit from a range of advantages.

WHAT ARE THE ADVANTAGES OF THE 2024 OFFER?

The 2024 Offer allows you to become indirectly a shareholder in Saint-Gobain via an Employee Shareholding Fund, whilst benefiting from preferential conditions, namely a 20% discount and an additional 20% matching contribution capped at \$2,000.00 AUD

In exchange, your investment is locked up for five years and follows the stock market share price, which can go both up and down.

SUBSCRIPTION AT A PREFERENTIAL PRICE

The subscription price per share is the reference price to which a **20% discount** is applied.

You will be notified of the subscription price on **March 11, 2024** on your company's premises, as well as on the website dedicated to the PEG: <https://peg.saint-gobain.com>.

See the glossary.

PAYMENT OF ADMINISTRATIVE AND ACCOUNT KEEPING FEES

Saint-Gobain pays all the management fees of the "Saint-Gobain PEG Monde" FCPE (except redemption fees), together with all PEG account keeping fees, off operation specific to your initiative*.

* The conditions and shares prices are available from your Account Holder.]

EMPLOYER'S MATCHING CONTRIBUTION PAID BY YOUR COMPANY

Saint-Gobain employees in Australia will receive an additional 20% matching contribution for shares purchased up to \$10,000. Matching contribution is capped at \$2,000.00 AUD

Your investment in the 2024 Offer presents a risk of loss of capital because you are investing in an Employee Shareholding Fund comprised almost wholly of listed shares, the value of which may move down as well as up.

If the share price declines, then the value of the Employee Shareholding Fund will suffer a similar decline.

This Employee Shareholding Fund (in French Fonds Commun de Placement d'Entreprise or "FCPE") is called the "Saint-Gobain Relais 2024 Monde" FCPE, which has been specially created to receive your investments under the 2024 Offer. After the capital increase, this temporary fund will be merged into the "Saint-Gobain Avenir Monde" compartment of the "Saint-Gobain PEG Monde" FCPE, following a decision by the Supervisory Board and approval from the AMF, the French Financial Markets Regulator.

Your investment is subject to a risk of loss of capital.

If you are in a country outside the euro zone, the value of your investment will be subject to the fluctuations of the exchange rate of the euro against your local currency.

Please consult the Employee Shareholding Fund rules for more information about the risks associated with the fund.

Risk of liquidity:
