Pursuant to provisions of Regulation (EC) n° 833/2014 and Regulation (EC) n° 765/2006, as amended, Saint-Gobain Group Savings Plan 2025 offer is not made to citizens or residents of Russia who do not have a legal residence or citizenship of a country of the European Union, the European Economic Area or Switzerland or citizens or residents of Belarus who do not have legal residence or citizenship in the European Union cannot participate in this offering.

THE 2025 OFFER

The 2025 PEG enables you to invest in the Classic Offer and benefit from a range of advantages.

WHAT ARE THE ADVANTAGES OF THE 2025 OFFER?

The 2025 Offer allows you to become indirectly a shareholder in Saint-Gobain via an Employee Shareholding Fund*, whilst benefiting from preferential conditions, namely a 20% discount.

In exchange, your investment is locked up for five years and follows the stock market share price, which can go either up or down.

SUBSCRIPTION AT A PREFERENTIAL PRICE

The subscription price per share is the reference price to which a 20% discount is applied. You will be notified of the subscription price on March 10, 2025 on your company's premises, as well as on the website dedicated to the PEG: <https://peg.saint-gobain.com/>.

PAYMENT OF ADMINISTRATIVE AND ACCOUNT MAINTENANCE

[Saint-Gobain pays all the management fees of the "Saint-Gobain PEG Monde" FCPE (except redemption fees), together with all PEG account keeping fees, except transactions outside the 2025 PEG**.]

** This Employee Shareholding Fund (in French Fonds Commun de Placement d'Entreprise or "FCPE") is called the "Saint-Gobain Relais 2025 Monde" FCPE, which has been specially created to receive your investments under the 2025 Offer. After the capital increase, this temporary fund will be merged into the "Saint-Gobain Avenir Monde" compartment of the "Saint-Gobain PEG Monde" FCPE, following a decision by the Supervisory Board and approval from the AMF, the French Financial Markets Regulator.*

**The Conditions and shares prices are available from your Account Holder.*

 [See the glossary](#)

PLEASE NOTE:

Your investment in the 2025 Offer presents a risk of loss of capital because you are investing in an Employee Shareholding Fund comprised almost wholly of listed shares, the value of which may go either up or down. If the share price declines, then the value of the Employee Shareholding Fund will suffer a similar decline. Your capital is not guaranteed.

THE 2025 OFFER

OFFER COUNTERPARTS

Your investment is locked up for 5 years

There are however cases for early redemption, namely key events in your personal or working life, that allow your shares to be released prior to the end of the lock-up period.

Please refer to your country supplement for the early redemption cases specific to your country.

Your savings will follow the Saint-Gobain share price, either up or down.

In 5 years' time, your shares will be available and the value of your shares will reflect the share price on this date.

THE 12 CASES OF EARLY REDEMPTION:

(SUBJECT TO SPECIFIC REGULATIONS IN LOCAL LAW)

- 1/ Marriage and/or civil union partnership of the employee.
- 2/ Birth or adoption, from the third child onwards.
- 3/ Divorce, separation or dissolution of the civil union partnership, with at least one dependent child.
- 4/ Invalidity of the employee, their spouse, their partner in a civil union partnership or their child.
- 5/ Termination of the employment contract.
- 6/ The creation or taking over of a company by the employee, their spouse, their partner in a civil union partnership or their child.
- 7/ Purchase, extension of the main residence; rehabilitation of the main residence following a natural disaster.
- 8/ A situation of over-indebtedness of the employee.
- 9/ Death of the employee, their spouse or their partner in a civil union partnership.
- 10/ Domestic violence.
- 11/ Expenses relating to energy-efficiency renovation work in the main residence.
- 12/ Expenses relating to the purchase of a vehicle using electricity and/or hydrogen as its sole energy source.

The 12 above-mentioned cases are provided under French law and listed in the savings plan (PEG). Please refer to your country supplement for the early redemption cases specific to your country. These cases can be reduced in certain countries.

OFFER COUNTERPARTS

You will benefit from 100% of any **dividends** paid from 2026. You do not benefit from any dividends paid in 2025 for 2024. These will be reinvested into the fund and converted into fund units (thus increasing the number of units you own), which will be available on the expiry date of the investment to which they are linked.

Your investment is subject to a risk of loss of capital.

If you are in a country outside the euro zone, the value of your investment will be subject to the fluctuations of the exchange rate of the euro against your local currency.

Given the concentration of risk associated with this Employee Shareholding Fund investing in the shares of only one company, the “Autorité des Marchés Financiers” (“AMF” – French financial markets regulator) recommends that subscribers evaluate the need for risk diversification of their overall financial investments. Please consult the Employee Shareholding Fund rules for more information about the risks associated with the fund.

Risk of liquidity:

In the particular case where the exchange volumes on the financial markets are small, any purchase or sale transaction may lead to significant market fluctuations. Please consult the concerned Employee Shareholding Fund rules for further information on these risks.
